

Lafayette Library Wins Grant

The Lafayette Library has been selected to receive a We the People Bookshelf grant award of 15 classic books on the theme of "The Pursuit of Happiness," made possible through the National Endowment for the Humanities (NEH) and the American Library Association (ALA). The bookshelf program encourages people of all ages to read classic books and explore themes in American history, culture and ideas.

"In an increasingly digital age, the local library continues to be a

friendly place for children and families to gather and share the ideals that united us," said NEH Chairman Bruce Cole. "This year's We the People Bookshelf gives readers young and old an opportunity to reflect on the diverse stories of the great American melting pot, as past themes have provided to an opportunity to reflect on the great American virtues of freedom and courage."
