Submitted by Cathleen Huston

Cub Scout Co-den leaders Cathleen Huston and Jennifer Wallace had the distinct pleasure of leading fourth grade Webelos from Wagner Ranch Elementary School, specifically, Den 7, Pack 212, to the new Orinda City Hall for their den meeting. Mayor Steve Glazer was there to welcome them, give an overview of local government and answer questions.

“The City was very accommodating, letting us use one of their meeting rooms, and showing us the facility” according to Huston. “It was one of the best meetings of the year. Thank you to the City of Orinda for this terrific opportunity and learning experience.” City Clerk Michele Olsen arranged everything. The tour was set up to satisfy part of the Webelos advancement requirements, gaining a citizenship pin to move up to the next level.

P & E representatives present rebate check to Mayor Glazer and the City Council

The Orinda City Council received something even more special than their citizenship pin at last Tuesday's City Council meeting. P & E presented a rebate check for \$63,936.00 for meeting the requirements of their incentive program, Savings by Design. This program encourages energy-efficient building design and construction statewide for commercial, industrial and agricultural customers. The new building exceeds Title 24 standards by over 60%. Title 24, is a section of the California Code of Regulations, also known as the California Building Standards Code regarding energy efficient building standards.

“We are pleased the City of Orinda has been recognized and honored for our energy efficient project. This recognition underscores the importance of designing systems that integrate energy efficiency while maintaining a pleasant work environment. We hope this project will serve as a model for other companies or individuals who are considering new construction or remodeling plans in the community and throughout the region,” said Glazer.

It's like Christmas in November.
