What is "Shop Orinda"?

"Shop Orinda" is a joint effort by the Orinda Chamber of Commerce and the City of Orinda to stimulate local business through a public awareness campaign. Simply put, "Shop Orinda" supports the local business community and keeps tax dollars here where they belong!

Why the bags?

What better way to show your support of the local community than to shop locally with your own "Shop Orinda" reusable tote? And, they're eco-friendly, too. Starting in mid-November, the bags are available while they last at Chamber Member stores and shops displaying the "Shop Orinda" logo in their window.

Who does "Shop Orinda" benefit?

Everyone ... think about it. If our local business community is thriving, the whole community is thriving. Plus, a healthy business community will attract even more businesses to Orinda.

Who knows ... Orinda could even be regarded as a shopping "destination" like many of our surrounding communities. But it all starts with a new mindset:
