Spanish Students Seek Temporary Homes **Submitted by Margaret Dick**

Visit Spain without leaving home! Edu-Culture International (ECI), a non-profit student exchange organization, is looking for Lamorinda families willing to share their home and culture for a few weeks this summer with a student from the Basque region of Spain. The students will be here from June 26-July 24.

Host families are asked to provide room, board, and a positive living environment. Students may also need transportation to and from weekday events at Miramonte High School.

The students are fully insured and bring their own spending money. They speak English and are busy during the week with activities organized by ECI, including excursions and visits to San Francisco, and will be with their host family mostly at night and on weekends.

This is an exciting opportunity for you and your family to enjoy and learn about another culture, and build lifelong friendships in the process!

Please call 925.788.4004 for more information.
