Orinda's Director of Public Works and Engineering Services

By Andrea A. Firth

Photo A. Firth.

Mayor Sue Severson welcomed Charles "Chuck" Swanson to the Orinda City Staff and presented him with a City pin at the January 20th City Council meeting. Swanson was recently hired as Orinda's Director of Public Works and Engineering Services. He relocated to the Bay Area from Winter Park, Colorado where he had served as the Public Works Director, Town Engineer, and Town Manager since 1997. In her introductory remarks, City Manager Janet Keeter noted that Swanson would add needed stability to the Public Works and Engineering Departments, which had been managing with an interim director since the departure of Mark Lowery this past summer.
