On Thursday, August 12th, some of the Campolindo varsity soccer players traveled to the top of Mt. Diablo on foot to try and get people to donate money to the charity Feeding America. They covered approximately 12 miles.

They have raised \$381 as of now, but are still hoping to raise more. For every \$1 donated, Feeding America provides seven meals to hungry men, women and children. Please contact shanebcarney@gmail.com for information regarding donations.
