The Good, the Bad and the Ugly... Bugs!
By Sophie Braccini
Bug Bingo? Yes, Bug Bingo - also called, "how to learn your bugs and how to live with them in your garden" - was the new trendy game at the Lafayette Community Garden Saturday, July 14 facilitated by ...[read](#)

Back to the Table
By Sophie Braccini
It's a sweet deal, two local sisters going back to the kitchen together and inviting the community along. Leslie Pease and Lisa Evaristo have just started "Back to the Table" in Lafayette. A new business that offers culinary classes of all types ...[read](#)

Starting Off on the Right Foot
By Caitlin Gravesson
Bouncing between the United States and Italy, Giorgio Tavecchio preferred soccer to football while growing up. Now training under famed punter David Akers for the 49ers, Tavecchio is grateful for his ...[read](#)

Transitional Kindergarten is Back On
By Andrea A. Firth
Transitional kindergarten-first on, then off, is now on again. "We should be accustomed to the uncertainty of education funding from the State at this point," says Dr. Fred Bink, Superintendent of the ...[read](#)

Beachfront Vineyard in Lafayette? Cave Dig Uncovers 6-10 Million Year-Old Fossils
By Andrea A. Firth
It's a warm day in Lafayette, the temperature is pushing 90 degrees, and Dave Rey stands next to a huge, gaping hole ...[read](#)

Letters to the Editor	Lafayette	Moraga	Orinda
<p style="font-size: x-small;">Editor: I enjoyed the photos and comments about my birchhouses on the side of the Lafayette-Moraga trail. Just to set things straight, my husband put them up some time ago in a moment of whimsy and continued to add to his collection</p> <p style="font-size: x-small;">Editor: July, as 'World Population Day' is being recognized, is a good time for Lamorindans, as part of the world's third-largest national population, to reflect on what perpetual population growth is doing to the nation they love and the nation their descendants will inherit.</p> <p style="font-size: x-small;">Between 1950 and 1970, America added population equivalent to the 1950 populations of all the states from the West Coast to the Mississippi River, including Alaska and Hawaii. Between 1970 and 1990, America added population equivalent to the populations of all the states from</p>	<p style="font-size: x-small;">Dire Predictions from Fire Chief if Parcel Tax Falls By Cathy Tyson Closure of seven to 10 of the District's 28 fire stations, longer response times and higher costs for home and business fire insurance - that's what Contra Costa Fire District Chief Daryl Louder spelled out if ...read</p> <p style="font-size: x-small;">Town to Study Traffic Plan The area around Moraga Road and Rheem Boulevard will benefit from CCTA grant By Sophie Braccini Moraga Planning Director Shawna Brekke-Read recently announced that the Town has been awarded a \$325,000 grant from the Contra Costa County Transportation Agency (CCTA) under a program called Transportation ...read</p>	<p style="font-size: x-small;">Moraga Rescind's Dog Park Ordinance By Sophie Braccini Was it a decision based on fear, or made for the greater good? The answer depends on who you ask. The bottom line - dogs are allowed to play off-leash at Rancho Laguna Park during established hours for at ...read</p>	<p style="font-size: x-small;">Eden Clears Last Significant Funding Hurdle Orinda is one step closer to new, affordable senior housing By Laurie Snyder Eden Housing, Inc. received a big boost for its efforts to bring affordable senior housing to the City of Orinda with an award by the California Tax Credit Allocation Committee (TCAC) of \$2,972,684 in State ...read</p> <p style="font-size: x-small;">Paul Park - The Sequel: Readers Respond By Laurie Snyder "It may live forever, however, somewhere in cyberspace." So ended the Lamorinda Weekly article July 4 about the mysterious strip of land near the Highway 24 Orinda off</p>
