Have a Night Out with Your Neighbors

... continued from page A6

Now, more than 15,000 communities mobilize over 37 million neighbors across the U.S. and Canada. Members of the military, and their families, participate at bases across the globe.

More than 600 residents participated just in Orinda events last year, says city manager Janet Keeter. Neighborhood organizers planned family-friendly ice cream socials, pool parties, potluck dinners, and other special activities for children and adults. The luckiest of kids caught some serious air time courtesy of parents who procured a bouncy house. "There are so many ways to enjoy sharing an evening with your neighbors, meet those you

don't know and share information to make our town safe."

Representatives from the Orinda Citizen Corps Council will be fanning out across the city in partnership with Keeter, public safety personnel from the Orinda Police Department and Moraga-Orinda Fire District and members of the Orinda City Council, talking with children and adults about ways to make individual neighborhoods and the entire city a friendly, safe place for all residents.

Established 1977 in Lafayette, California. Serving the entire Contra Costa County area and beyond.

Correction, issue date Aug. 28, 2013, Early Childhood Education a Phair Bet:

In expressing their opposition to a proposed zoning variance change requested by Fountainhead Montessori School for the old Phair's store, Robert and Karen Burt noted that the Phair's property and adjoining land "represent a one-time planning and development opportunity that would produce a higher and better use than would occur if the Phair's property alone were to be developed for a school."
