Clash of the seasons visible on Lamorinda hillsides

What a difference a week makes. Lamorinda residents were hit with weather whiplash during the week of Feb. 20, with 70-degree weather, sunny skies and a blanket of daffodil blooms gracing hillsides on the corner of Happy Valley and Deer Hill roads in Lafayette as well as near the Moraga Commons and at Orindawoods, showing signs of an early spring on Feb. 21, before just three days later morphing to a wintry landscape, with strong winds and chilly temps that brought a light dusting of snow to Lamorinda hillsides on Feb. 24.
