## Lafayette Library garage temporarily closed

*By Jennifer Wake*

Due to damage to the Lafayette Library's parking gate, the garage is temporarily closed. The gate was recently damaged by a vehicle and it will take several weeks for the parts to arrive and repairs to be completed, according to an announcement by the Library. If you plan to visit the library there is street parking nearby on Mt. Diablo Blvd, Golden Gate Way, First Street and Second Street.

For questions or updates on the repairs, please contact the city of Lafayette at [cityhall@lovelafayette.org](mailto:cityhall@lovelafayette.org) or (925) 284-1968.
