

# De La Salle

## HIGH SCHOOL

### Ignite Your Son's Potential

De La Salle shapes the lives of young men through faith, education, love, and guidance. Every action we take intentionally supports the personal growth and development of the students entrusted to our care.

We provide a rich and transformative educational experience that teaches the mind and touches the heart.

We equip our students with the skills, confidence, character, and knowledge they need to thrive in life.

We aim to instill a passion for serving others - especially those who are marginalized.
